Experience Constant Contact

Inclines and thresholds are no match for the Golden Compass Sport's true center wheel drive design with our patented springless articulating chassis!

This unique suspension system keeps all six wheels on the ground simultaneously, eliminating the rocking sensation when traversing inclines, giving both Compass™ models unparalleled curb and threshold climbing ability. No other power base can match the constant wheel to ground contact of a Compass!

golden
**COMPASS™
SPORT**

Model GP605

COMPASS SPORT FEATURES:

- NEW All Black Seat
- NEW aluminum wheels provide increased durability
- Medicare Code: K0823
