

Smartie

The Smartie is a portable and light weight power chair designed for the user on the go. The unit has a quick-disconnect system for effortless disassembly, advanced electronics and high efficiency in-line motors. The Smartie disassembles effortlessly into three pieces, with the heaviest weighing just 29 lbs. The Smartie is also equipped with our Envirofriendly battery system, design to have a longer life span over conventional SLA batteries.

- + 250lb Weight Capacity**
- + Wireless Take-A-Part technology**
- + Adjustable Seat Height**
- + Easy to Dismantle into Three Parts**
- + Envirofriendly Battery System**
